**PROFESSOR PLACID JOHANNES MALESELA KUNUTU**

It is with great sadness that the FW de Klerk Foundation has learnt of the passing of Professor Placid Johannes Malesela Kunutu. Professor Kunutu joined the Foundation's Board of Trustees in 2000, and served faithfully until he retired in 2016, playing a valuable role during his 16-year tenure as Board Member. The Foundation would like to honour him for his role in, and contribution towards, South Africa's non-racial constitutional democracy. The Foundation would also like to extend their deepest sympathies to Mrs Kunutu and the Kunutu family during this time.
