**BCCSA JUDGMENT: STEWARD AND MIHAL V RADIO 702/567**

The attached verdict has been received recently from the Broadcasting Complaints Commission of South Africa (BCCSA) after a complaint was lodged by the Chairman of the Foundation, Dave Steward, against Primedia and the programme host, Eusebius McKaiser. Although the Foundation is happy that the broadcaster was found guilty of contravening two clauses of the relevant regulations, and that it was reprimanded by the BCCSA, we are disappointed that no apology was required to be given on air. It was in our view, warranted by the ideological, intolerant and unprofessional behaviour of Mr McKaiser.
